It hurts my heart to lose a dear friend. We spent many young days together. Starting on ponies until we got motorcycles. Terrorizing our little town we thought. Steve always had a big heart. Even though he didn't want anyone else to know. RIP brother I will miss you. Praying for the family.

My thoughts and prayers are with the family. I sure had a lot of fun and a lot of great memories with Steve through Jr High and High School. He will be greatly missed.
