

## Eddie Ray Garner

February 26, 1958 - March 5, 2016

Eddie Ray Garner, 58, of Stigler, passed away Saturday, March 5, 2016 at Haskell County Hospital. He was born February 26, 1958 in Agana Heights, Guam to Gary and Leona (Lavoie) Garner. He grew up in El Reno where he was educated.

Eddie was an outdoor enthusiast. He loved spending time with his family; hiking, riding ATV's, participating in Trials Events and competing in mud runs and Half Marathons with his kids. He spent countless hours working on Alissa's gym with Jimmy doing everything he could to help get it up and running. He loved teaching Kyle and Caleb about motorcycles and trail bikes as they spent most weekends getting ready for the next race. He loved spending time camping and riding in Colorado with his family. He and Joanne even took a hot air balloon on their last Colorado trip. Eddie had gotten dirty with his kids at mud runs and completed 2 half marathons and was training for a third. He loved onion burgers from his favorite restaurant in his home town of El Reno. He would bring back a dozen and stink everyone out of the vehicle. Reading was his passion. If you caught him sitting still he usually had a book in his hand.

He always loved harassing us with the world's smallest violin. When we would complain about something he'd hold up his fingers and play for us. He loved spending time with Joanne. They would take off on weekend adventures to see movies or attend cultural events. He was a great husband who was always taking care of his wife.

Eddie is survived by his wife, Joanne Garner of the home; his three children, Alissa Brigance and husband Jimmy of Stigler, Kyle Mitchell and wife Whitney of Harrah, Caleb Mitchell of Stigler; his brother, Steve Garner and wife Becky of Bethany; his brother-in-law, Dennis Savill of Oklahoma City; his niece Olivia Savill of Oklahoma City.

Eddie is preceded in death by his parents, Gary and Leona Garner; his sister, MaKayla Savill.

“ I met Eddie through his brother Steve, my brother-in-law. He was very kind and there was an automatic feeling of "family" felt. I am sad to say we didn't get to know him more. Our prayers are with the entire family as they cope with his untimely death. There is never a good time to say good-bye, so we say so long for now. Our prayers will continue through this difficult time. Mary McKye
