“ I spent many a Friday night at Al and Barbara’s home in Terra Bella with my BF Pam. Al would come home of the road and Saturday early morning we would rub his feet and pamper him to get him to take us to the beach...tough on the outside but so soft hearted ...he would always give in no matter how tired, and away we would go. Wonderful memories.

I will always remember my Uncle Al as a man that loved his family and extended family with all his heart and as a man that loved to joke around and pull practical jokes
