“ *Growing up in the Crosslanes area you couldn't help but know Arlanda. He always put a smile on my face every time we met. What a friend of our family.*

“ *My earliest memories of Rooster are his laughter and him joking with me. I was a big kid for my age, and he called me Baby Huey. We were at West Liberty recently and I missed seeing him there. I loved him and I always looked forward to visiting with him. I miss you brother and I'll see you soon.*
