“ I loved working with Barb at the Veterans Center! She would crack me up sometimes when we would have a tough night. Oh my goodness the times we had with Kay or Randy as nurses and and me and Barb in the floor. She was the best! She will forever be in my heart.

“ Barb took everyone in as her own. She was so sweet and kind. I loved it when she and got to work together. She was amazing. I used to go see her in the mornings when I got off work and we would have coffee together before I went home. By this time she had retired. She will be missed. I'm so glad I got to know her. I love y'all and miss you dearly. Praying for you all.

“ I remember as a child, visiting at Aunt Bobby's house. I especially enjoyed her pancakes! She knew how to make a little go a long ways. She was always good to me. My love and prayers go out to my cousins and their families. May the Lord bless you with strength and His peace and grace during this time of loss and always. Love you all! Vanessa
