“ *Enjoyed our visit with her this year. Never forget the many times we heard her sing "I've got no reason to quit". She gives us another reason to look forward to heaven. Our prayers are with each of the family. -- Rev Tim and Janet Dixon*

“ I have so many memories I hold dear to my heart of MawMaw Gray. Beginning with, all the yard sales we would have on the carport and me wearing her high heels. After Sunday night services my family going over for coffee. She had a "special kind" for just us kids. I was always the first kid to fall asleep under the bar in the kitchen while her and Pawpaw Gray and my parents visited. There's so many more I want to share but I'll leave you with the one memory that I hold ever so close to my heart. Which is all the loving guidance she gave me but with a stern hand that I've learned to really appreciate the older I've gotten!!!!!! Thank you for always being the Godly example you were for me and for everyone. I love you with all my heart and I'll see you in Heaven one day! Amy Huff

“ So many memories of this great lady. She was a prayer warrior and I know she prayed for many as myself that can testify of the results. Love this lady and her great husband, now they can rejoice together in their new home. Rest in God and his presence.

“ A great and sweet lady who was a friend to this pastor and I am sure to many other servants of God. We cherish our memories of her interest in our church, her loving concern for her family, and her willingness to work and help in the Kingdom of God! May her family be blessed even as her memory is most blessed to us.

“ Precious, godly lady. Grandma Gray treated us like one of the family. She will be remembered for her strong faith and love for God, family, and friends. One evening while visiting at her home, she told Steve and I about her and Bro. Gray's ministry in Corinth. My what a life dedicated to.the work of the Lord. Grandma Gray, I will miss your sweet smile and talking to you about Jesus.
