“ Enjoyed Don's Restaurant for several years and I really enjoyed my visits with Bill. He was a great man with a great family. I still enjoyed him when I caught him in the hardware store. Bill will be missed in our town.

“ *I sure loved his moma! I only meet him a few times when he would either be there or would come by to see her when I was there doing her hair! I would talk to him about how honrey she was & how she'd say how she'd woo his butt! But he was a great son to his mother as far as I knew & a good person to me each time I saw him! Rest in peace Bill!*
