“ I just found out that you passed Bobby. My son let me know that it was on Facebook but I don't have Social Media any longer. You were a fine person Bobby and I know you were welcomed home by your savior Jesus with my sister Brenda running to you with open arms. One of my fondest memory was your laugh. No matter what you went through you knew how to stay positive and your laugh was uplifting. You and Brenda had amazing adventures together and you both were the most caring people around. You'd give someone the shirt off your back if they needed it. Brenda did the same. You both loved Jesus and I will miss you Bobby but I'm thankful that you'll no longer be suffering in pain. Thanks for the memories of you and Brenda now together once again.
