“ *Not even sure where to begin, I don't know any appropriate words that will ease the pain, I wish is did, because if I did I would say them to you during this time. My heart is hurting so badly for your loss, not way of explaining. I will forever remember Bradlo as a dear wonderful friend. Heidi, Aubrey, Hanna, the memories you have is some beautiful ones, some that most never ever get in a lifetime, because there is not many like Brad. I pray for your strength during this time and all the days and months to follow. I love each and everyone of you..*
