“ Gwen.....she was a treasure! Although our lives have taken us in separate directions, I will always have fond memories of Bridget as a toddler and as an adult. She was a joy and I know your loss weighs heavy on your heart. But you can rest assured that her grandparents and Mrs. McSpadden welcomed her with open arms and a smile on their faces when Bridget received her wings. I can truly say she is resting now in the arms of Jesus. Thoughts and prayers for you, LaDonna and your family.

LOIS L CARRY - June 18, 2019 at 08:09 AM

“ My memories of sweet Bridget would be although we didn't see her that often other than when we were younger and would visit grandma and grandpa, if Bridget was there we were no strangers to her she held the door wide open and greeted each one of us with a hug and was so happy to see us. Each reunion we were able to attend Bridget would always welcome us with open arms and give us the best visit we could ask for. She was always a joyful soul to be around. I remember she would give grandma a run for her money, the love they had for each other was beautiful. Aunt Gwen my heart hurts for you I know you will miss her every second because you cherished her every second and treated her like the princess she was, your home will quite without her but I pray you feel her presence everyday and in everything you do and know you were the best thing that ever happened to her 💕. Ladonna and Dan , you two I hope are proud of yourselves for the beautiful life you contributed to Bridget she was amazing, happy, joyful and brought laughter to so many people. I love you all 😭
