“ I am so sorry to hear of Mr.Bo's passing. He was my friend. He loved to come visit me at the water office, and he always had a good story to tell. His love for his family was evident, and he always had a sparkle in his eye when talking about his grandkids. When I was out recently for surgery, he would stop by the office to check on me. He was genuinely concerned. He and his visits will be sorely missed. My heart is so saddened by this news. Your family is in my thoughts and prayers.
