“ I can't believe 13 years with my grandparents had already slipped by. I remember that June 2021 we went to go pick up our dogs because they said that they would watch them but at least I had good memories with them while we lasted together

“ We are so sorry for your loss. There are many fond memories of your mom and dad but one in particular. When we were looking for a car for Sara, your Dad pointed us toward a cute little Volkswagen car in Ft. Smith. She loved that little car and kept it for several years. Hugs and prayers.
