“ Sue, was my aunt Edith's roommate while she was in the nursing home and we would visit with her when we would visit my aunt. She always made my aunt and us laugh. She was a sweet person who will be missed! Sincerely, Kash Family

“ I took care of her at the nursing home. That was granny sue loved her so so much. We use to sit and eat and drink pop together at night..she told me one time she wanted a name tag like mine so the next day I went to Walmart and bought all the stuff to make her her own name tag. Of course she got more then one I made her her one with ever color and she loved them and would wear them for days. She'll be greatly missed but I'll never forget her .. mindy brassfield
