“ It's been three years since you left me . I know you are in a better place but I miss you so much. There are so many days that I need your wisdom and hugs. We have a new great granddaughter. She's so beautiful. Deken picked the name. He's such a wonderful man. Her name is Lively Dawn. Madison says this is the last one. I love you Charlie.

“ *Two words: golf grass! When I was a young girl/teenager I loved tumbling and gymnastics. The grass in our front yard was conducive to this activity. Dad always kept an impeccable yard. The grass was very green, thick and most importantly bouncy! My friends and I would tumble for hours and had so much fun. Second to this is the memory of sitting in my bedroom listening to my dad mow the lawn followed by the fresh smell of mowed grass. It's such a simple thing but I will cherish these memories forever.*

“ *I know you're not hurting anymore and you can walk and do everything you haven't been able to do in several years. No one could have wished for a better husband than what you were. I thank God for bringing you into my life. Our children, grandchildren and great grandchildren were so fortunate to have had you in their lives. Thank you for loving me for so long and unconditionally. I love you Charlie.*

I love you so much dad. I'm so happy you aren't in pain or missing out on what you love to do. Thank you for choosing to be my daddy when I was six years old. I will miss you so much but the Lord will make sure it isn't for long! I love you forever daddy.
