“ *I remember when I was pregnant with my oldest son and we was at school you would always try make sure I was eating , or talk about how my belly didn't fit my height lol. Or how we would always get in trouble in class for always cutting up guess hints to why we was at the alternative school lol. You was such a joy to be around you always made everybody laugh an definitely was a class clown. gosh those was the best days. Rest In Peace buddy and watch over your beautiful wife and babies. And you was always so humble , you will never be forgotten Charlie boy!!!! RIP*
