“Charlotte always had a smile on her face every time I saw her. It was so obvious how much she loved her family, because every time I was fortunate enough to run into her during our comings and goings, she'd catch me up on her children and grandchildren. She was a shining light in my life and I'm sure all of yours who will be sorely missed by all who knew her. I know I was blessed to have her as a part of my life. I love you all and am keeping you in my daily prayers.
