“ I first met Christian when I moved to Stigler my 8th grade year (2009). He was one of the first people to talk to me and make me feel welcome at my new school. I remember any time I had him in class he was always one of the class clowns. He had a big heart and a bigger smile. I'm praying for you Christian and all of your family. I can't imagine what they are going through right now .
