“ I loved the many chats that Connie and I have had about the life and times of the people (good and bad) that we both knew from the Webbers Falls area.

*I have great respect for this man that loved his wife and family. Men that have integrity and strong work values such as Connie will be missed.*

“ Connie has always been a gentle giant of a man. His calm demeanor was a calming influence in my life and our church. He was so helpful to me when I lost my dear husband Roger so suddenly. I will miss him. I'm praying for you all and I love you so much.
