“ Oh my goodness. I am so sorry to hear about Danny's passing. He was a good man. I worked with him for many years at General Hospital in San Luis Obispo. He was a hard worker who always went the extra mile. He was well-respected and liked by all the staff. I know that the entire General Hospital family sends their sympathy all the family. We only wish we had seen this note earlier. We had lost touch with Danny after 2004.
