“ Hey Brother! I miss you more than words. I can't hardly recall a childhood memory that you were not in. I chose to add a yellow candle because both you and dad loved yellow roses. There are simply days I long to hear "hey brov". I hope you, dad, mom, Charles, Hank, and Jack are having fun up there with Jesus. Because our hearts feel pretty empty without you down here. I just wanted you to know I was thinking of you today. I will love you always. ~ Sherry
