“ I have so many memories. From all the family dinners, 4th of July picnics, Christmas at Grandmas, all of us going to the movies, his Elvis Presley impersonations and even a trip to Disneyland. I remember his laugh and how I wish I could hear it now. When we were kids, we used to love to be silly and playful. I miss those times but I know he is in heaven with Rita and Danny and my Dad doing all those things that I know he loved to do. The angels must be smiling. Much love to all of you, Cheryl, Thelma and the furbabies.

“ I was so sad to hear my buddy Dave was sick without my prayers being sent. I will always love his smile and he really lit up my day with a hello. He was an amazing worker and what a great Dad and Husband. This world needs more guys like him. I know his kids will do just that. Hugs to his wife Paula and his wonderful kids. I pray the memories will warm your heart and put that smile on your face that he loved. Love, Stacey Wilhoit

“ *Sweet religious man, loving father and husband, hard worker and provider. I miss seeing his smiling face at Wal-Mart. He always greeted me with a smile and a hello. He will be missed.*
