“ David was one of the best unit managers that I ever worked for at Jess Dunn. He was always helpful, professional, and willing to offer ideas when asked. He was always respectful of my father, who trained him when he first started. He was one of the good ones. Rest in peace, Mr. Powell.

“ In working with David over the past several years, I can not remember a time when he couldn't bring a smile to my face. David had a sense of humor that was unmatched and I will never forget him. David was my friend and he will be missed.

David and I grew up together at Grandma Powell's and at Uncle Leon's and Aunt Leola's. We kept up with each other on Facebook. David was not only my cousin but my friend. He will be missed.

To the entire Powell family of which I am a member, my deepest sympathy.
