“ Dave was my district rep. for United Hardware & I was going through a tough time in my life & my business was suffering because of it. To make a long story short, Dave was not one to mince words & told me I needed to quit screwing around , just close the business (it's been in my family since 1927) & be done with it. It was the shock of him being so blunt that made me refinance, upgrade & give it a second go. Today the business is doing well.

Thanks Dave!

I will miss seeing you at the United shows, walking through my door just to say hi, your stories, & sense of humor!

God's blessings to his family!

David is my brother and I miss him terribly. He could tell funny stories and jokes all day and not tell you the same joke twice. I remember when he came home lunch one day and three of us made a pact not to laugh at any of his jokes. It took about four jokes before he became frustrated. This time the joke was on him.
