“ I want to send our prayers and thoughts to the entire family, what a great guy and uncle, we enjoyed the time we had with Dayle when he came to dad's funeral just a month ago. He made us worry, laugh, and wonder. It was our pleasure knowing Dayle for who he is and was. We love him, and he will be missed by all of us greatly. I wish that we could be there for the family like you was for us, but that has proven to be very difficult in many ways. Please forgive us. We love you guys and remember that Dayle is not alone, he is enjoying some pretty onry family. We love you guys and send our condolences to you all.

Love the Roamaine and Cherrie Blanchett Family
