“ *My lovely wife will always be missed and loved. She will never leave me and will always be in my heart. She and I rarely called each other by name. It was always “ my little husband “ and “ my little Debbie “ she loved our cat to death. We named the cat “Puss”. We were watching an Ozzy Osborn show and Ozzy was in his back yard looking for there cat. He was stumbling around ( stoned ) yelling PUSS, HERE PUSS ! She and I laughed so hard. That’s why our cat has such a name. She is registered as Puss Ghan ! I hope you all get a laugh from that.*

*Remember Deborah Ghan !*
