“ *DeNice Faulkenberry was a wonderful, Christian lady. Always there with a smile. DeNice and her Mom were very close. They enjoyed doing everything together. DeNice was so dedicated to her profession of teaching our little ones. I remember her sewing curtains for her room out of fabric with a pattern of BEES. DeNice was so a very talented quilter that enjoyed being with the SPINNING SPOOLS QUILT GUILD fellow quilters. DeNice always there to help me when I asked for help with a problem. DeNice will be missed.*

“ I do remember DeNice and I working together at Byars we even carpoled. She was such a wonderful kindergarten teacher. I have mentioned to so many people how she was able to get students to read. I have way to many good memories. I loved the time we taught the 3 little pigs. She had us get potatoes and let the students dress them up as the pigs and the wolf. She will all be so missed. God has a new angel 🙏 in heaven. I know she is loving seeing Tyler and Monty again.
