“ I remember uncle Donnie playing the guitar and us kids singing out on the front porch

“ Also, Uncle Donnie used to have this huge dog, whose name I do not remember, and he killed snakes. Uncle sent the dog, with the snake, over to my aunt and she screamed bloody murder. It was hilarious.

He was definitely a prankster.

“ Every time I went to see Donnie, he'd mess with me about his multi-talented poster on the bathroom about how he could burp, fart, sneeze, cough and laugh all at the same time. It's a gift of old age, he'd tell me.

Uncle Donnie you're the bomb. I love you <3
