“ Donna was one of a kind. I'll never forget when I met her and all the memories we shared. She gave me my first crazy tattoo and defended me, if need be, with many of her eccentric rings she wore. She was always laughing and kind to me. My heart and prayers go out to the family...to comfort them throughout this difficult time. Donna, I know you are now at peace and no longer suffering. I know you'll be protectively watching over your children and grandchildren. 🙏 Rest easy, Donna.
