“ I remember when Don and his family moved to Porum. He sat nearly next to me in many classes. The one thing about Don that always stood out is that he was quiet and that really never said much until he had something to say but the one thing I never heard him say was anything bad about anybody we will all miss him!

“ You were a good man. You had a good heart and always a kind word to say to everyone. If there was anything you could do to help anyone you were there. Rest in peace now your work here is done.

“ Miss you so much already Don Don! Loosing you has hit us all hard. I wish I had as good a memory as you did coz you could remember all kinds of things about us growing up and my memory is so sketchy. I just remember us always playing together as kids, with Kerry Lowe, of course. Playing follow the leader down the creek... playing annie over, I think we called it, throwing the ball over Grandma's little house... kick the can down the street... hide and seek with all of the neighborhood kids... all of the childhood games that kids back then played! And then we were teenagers... I remember going to parties and you'd be there, too, to keep an eye on me... I got married so young and the family moved to Porum so we drifted apart. But we grew close again after Momma died. Your last phone call was Saturday night before you died on Monday. You started crying and told me you loved me. I'll never forget that. I love you Don! See ya again soon!!
