“ I love you Uncle Eddie. You were my best friend and my sounding board when I needed to talk. I will forever remember when you would chase me with your snoopy leg and the day you told me that I haven't found the one yet but he was out there and he was going to give me my girl I always wanted and you were right more than you will ever know. I love you and you will be missed more than I can even express.

“ *I remember Little Eddie coming to visit when I was little. He had a aock that he had put eyes and a nose on and it looked like snoopy. He would take his leg off and put that sock on and act like it was Snoopy. I thought that was so cool!!!*
