“ When our youngest son was in the hospital after a traffic accident, Ethel would come to his room after her shift and bathe him cause the nurses on the floor where he was didn't keep him clean enough. She also shaved his head after his surgery so it didn't stand out so bad as they only shave the place where they do surgery. Ethel was a big comfort to us then and many more times

“ Ethel, was a wonderful nurse and friend. She made me smile and laugh every time I had the privilege of working with her. Her wealth of experience and knowledge brought a sense of calmness to any day. I am so deeply sad for her family as the loss of someone so special and important to a family is never easy. Thank you for sharing her with each of us at Muskogee and please know her legacy will live on in each of us and the lives she touched every day for the last 40 plus years. May God be ever near and His promises remind you that goodbye is not the end. Love and prayers, Gina Webb

“ Knowing Ethel is priceless. Working with her was a privilege. I worked with Ethel for 36 years on the OB unit in Muskogee. She was an excellent, compassionate, caring nurse. She was true, she was loyal. She was quiet yet a fierce loving friend. There was nothing she wouldn't do for you. I consider it to be an honor to have been her friend. She will be deeply missed. I love you Ethel. Praying comfort & peace for your family & friends. Heaven gained a true angel today❤️

“ *Ethel was a precious, kind lady. She was a public servant for 43 years. She helped bring thousands of babies into this world. She was one of those nurses that would not sit down for a break until her patients needs were met. What a tremendous loss to this community. She will be greatly missed.*
