“ Euleta (mom called her Leta) was such a precious, kind, and loving lady. I will always remember her sweet smile. Mom, Euleta, and Marie were always together whenever possible. They loved to garage sale and loved going to the thrift stores. They just loved to shop! She will always be remembered. Euleta, Marie, and mom's children often walked the dirt roads around Sandridge. Many times we would end up at Jasper and Euleta's house. Euleta was always so kind to all of us. I never saw her get impatient with us (although she probably had every reason to be at times.) I loved her so much! She, Marie, and mom are together again and I know they are having a grand old time. Heaven was their goal! She was a wonderful cousin, friend, and role model to me.

“ I grew up around Aunt Euleta and Uncle Jasper. They, like the other siblings, would come over for Thanksgiving and holidays. We would visit, they would love on us. Then they would play guitar and sing songs. The classic Christian songs, in hymnals. Reading the Bible was always part of the ritual. She always smiled at me and said good things, uplifting things. They always made me feel loved. She was a wonderful Aunt.

“ *I remember when my grandma, Marie Williams, would take me to Aunt Eulita's and she would always have a snack or some cookies for me to eat. She always made me feel like her home was also my home. I also remember all the Thanksgivings at grandma Bray's house and playing football with my cousins. Aunt Eulita and Uncle Jasper have always been faithful in serving God and an example of faith and consistency. My grandma was very close to Eulita, they are together now!*
