“ I spent most of my childhood with my cousin Eunice buffington, she was actually my mother's cousin but I was like a late child for my grandmother My grandmother and Aunt Ruby were sisters we were a very close and tighten it family. She will be duly missed and very loved always in my heart Eunice I'm so glad that I got to spend the time I did with you I can still see you sitting in the rocking chair and you look just like Aunt Ruby's sitting in my rocking chair in my living room. I want to thank God for the little time that we had The laughs that we shared the stories that we raked over and the things and the love our family had for each other ❤️
