“ I have so many memories with you Aunt Evorah. You lived with us in California for so many years. You brought Mama a lot of happiness being with us. She missed Oklahoma and having you in California helped her get through it all. Her heart was still in Oklahoma. I love you and you know that. We have talked about heaven for hours on the phone. I know you were looking forward to heaven. Please give my mama and Dad and everyone hugs from me. I know I will see you again someday. I love you, Fern
