“ I spent almost ten years on Haskell County as OSU Extension Home Economist. Fannie was one of the First Ladies I met. She & I instantly hit it off. She served as a second Mom to me the whole time I was in Haskell County. Fannie was a mentor and a friend. I'm so sorry to hear of her passing. Wish I had kept in touch better, but I know what Fannie would tell me each time I spoke with her. Go live your life, serve God and fulfill all your dreams. I love you Fannie, thank you for always being there for me even when it was only a shoulder to cry on. See you in heaven!
