“ Faye and I grew up together going to school and riding the bus together. We both lived in the Bascom community loved going to grandma Mauds, and papa Charleys, Faye and I spent the night at their house we were just little kids but I will never forget that. I have a lot of happy memories with Faye she was such a sweet and good person. I moved away but I've never forgotten Faye, nor will I ever. May God comfort you all during the loss of this dear lady.

“ What a special lady. I was thinking about her just yesterday when I was in the fabric store. She would have me pick her up a specific kind of thread. I thought about how she loved to quilt, and I bet those quilts were beautiful. ❤️

“ *Faye was a very kind and loving lady. She was always doing things for David and my graduating class of 1977 at KHS. Then later a few later Lisa and Allan marry and Faye seemed as family. She and my mom worked together for several years. But most of all Faye become my second mom after my mom pasted. Rest in peace Faye. You will be missed by all.*
