“ DeEdra & Family my thoughts and prayers will be with you during this most difficult time. I remember two young teenagers meeting for the first time and starting their courtship and falling in love. There was no doubt with Charley you just knew by his actions that he gave you all his heart and you were his girl! I am so happy that you and your love shared a loving family life and those beautiful grandchildren will be a blessing thru the coming years, I love you and may God send you comfort and peace. So glad I ran into Charley at the store a while back we had a good short visit.
