

## Freddie F. Sexton

June 6, 1943 - June 28, 2024

Freddie "Freddie" Sexton (Browning) was born on June 6th, 1943 to Letha and Coleman of Post Texas. She graduated from Charles Page High School.

She began her career at Business college.

Later, she received an Associate Degree in Early Childhood Education, and after encouragement from her daughter she received a Bachelor's Degree for Teaching in 1993. She did this at the age of 50! She continued her college education and achieved a Masters degree in English as a second language. She was a dedicated and kind natured teacher for Oklahoma City Public Schools for years.

Besides teaching, Freddie had a passion for history and genealogy. She shared this with her grandson Ryan Jackson. Before the technology came out, she had traced her lineage and created an incredibly detailed family tree. So detailed in fact, she had several binders full of information. She passes this down for many generations to come. She enjoyed collecting coins, and shared this love with her granddaughter Molly. She loved writing letters, and if you knew her you were sure to receive a post card from one of her travels. Freddie was a member of the United Methodist Church her entire life. She spent her time and talents in the Garden with her husband and son. She loved listening to music, especially Elvis Presley. She passes down her dance moves to her great granddaughter Lucy.

She passed peacefully in her own home on June 28, 2024. Awaiting her in heaven were her Mother Letha Park, older sister Tony Hartshorne , younger sister Judy Sehon, and great-grandchild Riley Payne. She leaves behind her husband Orvil, daughter Rhonda Jackson and Anthony, son Michael Sexton and Dianna.

She cherishes her grandchildren Ryan Jackson with his wife Sarah Jackson, Molly Payne with her husband Nicholas Payne, Loren Sexton, great-grand child Lucy Payne, and a large extended family.

Anthony "Tony" Jackson

“ A sympathy card was purchased for the family of Freddie F. Sexton.

July 01, 2024 at 03:02 PM

“ Freddie (and Orvil) were the best neighbors and friends you could ever ask for. We took vacations together, raised chickens together and I was the kid's babysitter. I'm so happy Freddie is no longer suffering. I love you guys!

Susan Dement - July 01, 2024 at 12:14 PM

“ May God's grace and love keep you during this difficult time of grief. So many wonderful memories of Freddie throughout the years....she was truly a blessing! Sending love to you all. Jerry and Cindy Bowman
