“ I was so blessed to have met Gale when Floyd and I moved to Melinda Park in 1973. Gale and I became friends very quickly, not knowing that our friendship would last a lifetime. Her family and my family were quite close while living in Melinda Park. They moved to Beggs and we moved east of BA. Gale was always there to lend a helping hand to us, if it was babysitting, wallpapering or preparing dinner, etc. She was a very giving friend of mine!! I will see her again when I get to heaven!
