“ I was sadder to see Gene was gone! All my memories are from our school years and our parents being friends! He was a proud member of the infamous class of 69!! Which made my class of 70 pale in comparison!! Lots of wonderful memories!!!

“ Well, where do I start. I don't actually remember it put I have been told all my life that when he lived with my parents and I, I used to call home mean Gene. I have no clue as to why but as I said it's what I call a family story told over and over. Now one memory I do recall is when we were visiting during the Fourth of July. I was sitting on Sonny, Uncle Gene's horse when someone let off a bottle rocket. Needless to say the horse went one way and I went another. After catching the horse Uncle Gene MADE me get back on. To this day my very thankful for that. I love you and will miss you always, Mean Gene. ❤️

“ We sure are going to miss Gene. We enjoyed the fishing trips we all took together, including Canada. He would always serenade us with his favorite song...Strawberry Roan. It was a pleasure to be a part of his circle. Heaven has gained a beautiful soul. Rest in Peace Buddy. See you in Heaven!
