

George F. Munford SR.

April 30, 1943 - October 13, 2022

George F Munford, Sr., 79, of Stigler, passed away Thursday, October 13, 2022 at St Francis Hospital in Tulsa after a long battle with cancer. He was born on April 30, 1943 in Denver Township, Michigan.

George was a born teacher, he loved to learn new things and share his skills and knowledge with those around him. He loved fishing and boating, being around the water, although swimming was never a skill he could master and the family loved to tease him about it! He enjoyed cooking on the grill and having the kids and grandkids over. He was a competitive pistol shooter, starting the hobby at 62 years old. He always said that he couldn't keep up with the young "run and guns", but he could keep them on their toes with his accuracy and tenacity! He found the guitar later in his life and became an avid guitar and cigar box guitar player. He loved going to Blues and Bluegrass Festivals. As his illness progressed, his competitive nature lived on with his weekly domino matches with his brother-in-law.

When asked what the world should remember about George, he was a good friend, there when you needed him - always. He truly loved people. He noticed everyone. In all his years traveling with Olan Mills, living out of motels, he made sure he knew the names of the maids, the motel desk clerk, about their families, and he always brought them little desserts or snacks when he came in for the evening. He loved his family. He loved me, his wife. I think he would say that his life was one well spent, we can't ask for much more than that.

George is survived by his wife, Barbara Munford of the home; 2 children

Deborah Spencer of Greenville, MI, George F Munford, Jr. of Midlothian, TX. 6 grandchildren, Adam Munford, Steve Munford, Nikki Brimmer, Chris Brimmer, Nathan Munford, Matthew Munford, and many great grandchildren; 3 stepchildren Heather Corliss, Nathan Casey, Brandon Casey and 8 step grandchildren Chris Casey, Hayden Casey, Nivin Casey, Nyra Casey, Ethan Utsinger, Meagan Utsinger, Trent Casey, Lillian Casey. He loved them all.
