

Georgia Elizabeth Norried

May 1, 1934 - December 25, 2024

Our mama and granny went to be with her Lord on Christmas day, December 25, 2024. Georgia Elizabeth Norried was born to Irven Reid and Ethel Gifford Reid on May 1, 1934, in Stigler, Oklahoma. From her first marriage to Chester Haney, she had two children, Eddie and LaDonna. She was later married to Milo Johnson for forty-three years, and they had a daughter, Jo Ella. After the death of Milo, she was married to Robert Norried for fourteen years.

As a child Georgia developed the love of farming while working with her father. As an adult, she continued to farm and made her family living growing fruits and vegetables. Her produce fed not only people in our local community but also people across the country. She and Milo were avid trappers and fishermen. During the off-season, she worked as a nurse aid at the Stigler Nursing Home. Georgia also spent a lot of time making beautiful quilts. Her grandchildren have fond memories of making apple cider and cane-pole fishing with their granny. Her dedicated work ethic was an inspiration to her family and the community. She treasured being called Granny by her family and others.

Georgia is survived by her children Eddie and Margie Haney of Stigler, LaDonna Hatfield of Sallisaw, and Jo Ella and Kenneth Davis of Stigler; grandchildren Shane and Jennifer Haney, Keith and Ramey Holsten, Camy and Mike Livermore, Chris and Crystal Haney, Brandon Davis, Amanda and

Scott Welch, and Kendra and David Abel; bonus grandchildren Shane and Lorie Davis, Phillip and Michelle Davis, and Natalie Davis; her sister Jean and Bob Self; and numerous great-grandchildren, great-great grandchildren, nephews, and nieces.

She is preceded in death by her parents Irven and Ethel Reid; her husbands Milo Johnson and Robert Norried; brother Felix Reid and sisters Marie Dilday, Beulah (Boots) Ross, Mary Lou Williams; granddaughter Trisha Holsten; grandson Martin Davis; and her child Baby Boy Haney.

Jo Ella and Amanda would like to thank the staff at the Haskell Nursing and Rehabilitation Center for the special care given to Granny.

Pallbearers; Hayden Livermore, Mike Livermore, Phillip Davis, Kyle Haney, Shane Haney, Chris Haney

“Granny you was always out and about in the yard and orchard and I will always remember when I was always hiding from you just so you could holler out my name. It seemed to be so funny watching you look for me. After getting older I would wonder off to fish in the ponds or into the strawberry patch watching everyone pick them. Now your days in heaven will be looking down on me and I'm sure you will still find me. You will always be in my heart and thoughts everyday. Soon we will find each other again in heaven and there behind a cloud you will find me. Love you forever and always.
