“ I lived in Tulsa for eight years beginning in 1976. I moved from Orlando to Tulsa to begin a new job. I met Mark soon after and we became best friends. He introduced me to his sister Sheree, his brother Tim and of course his Mom Glenda. I swear, we all hung out for most of the eight years I lived in Tulsa before returning to Orlando. The last time I saw Glenda and Sheree, was during a trip they made to Orlando to visit the attractions. I forget when that was but I believe it was sometime in the 90's. I will never forget that Glenda had all those cars "for sale" in her front yard, as she sold them as part of a job she had in doing so. Sharing my life for those eight years with the Fletcher family was truly a time I will cherish for the rest of my life. I miss you Mark, we had such great times together. I will always remember and I do think of you from time to time and the fun we had drinking and smoking till the cows came home. Not sure if you will receive this message or not. I just happen to be thinking of you guys and I goggled Glenda. I am doing great. I am in a same sex marriage with my Husband Frank. Together we have 4 kids and 4 grand kids. I have a son and a daughter and he has 2 sons.

I love and miss you all.
