“ *I will always remember Harley in the way of my Mom and how he loved her cooking. It had been along time since I had saw him, but he was always a friendly young man. I would like to send my deepest sympathy to Harley's family, especially his Mother, Phyllis, I can't imagine the hurt in your heart as a mother. But I also want you to know I am here and you know how to get ahold of me. I will listen, but first and foremost, God is where your strength is at, ad I see where you have turned to him, on your hardest and weakest days he will be your strength. I love you Phyllis and private message me if your need to talk.*
