“ I first met Helen years ago when I worked as a cashier at Jim Bob's store here in Stigler. Her & her husband came in every single day that I worked & always bought the exact same thing...A cup of coffee & a Little Debbie snack cake each & 5.00 worth of gas. All these years later, and working as a nurse at Haskell County Nursing Center, I met up with Helen again. On the days that were difficult for Helen, she could ALWAYS be calmed simply by telling her the story of how I met her, and how her & Bill always came to Jim Bob's for their morning snack & a little bit of gas for the white car. She always smiled at the memory. The night before she passed, I sat by her bedside, and for the very last time, I told her the story of how I first met her & Bill. Helen hadn't spoke in a few days, but after I finished telling her about how I remembered her & Bill, the coffee, the snack cakes & the gas...She mumbled "Bill." The next night when I came in to work my shift, I learned that my sweet Helen was gone. My heart ached for my dear, sweet little friend, but it also smiled because my friend was once again with her sweet husband. I will always remember Helen. I pray for comfort for her family. She was definitely one of a kind & she will be forever loved & missed.

“ Sorry for your loss. One of our special memories of Helen was visiting with her in the cellar.
