

Iris Kathaleen Feldick

January 1, 1932 - June 25, 2023

Iris Kathaleen (Gray) Feldick was born to Jack and Elmer Gray on January 1st, 1932, in Poteau, OK. Her dad died when she was 10 years old resulting in a financial stress for her mom, two sisters, and brother. As a young teenager, she went to work making milkshakes at Poteau's downtown drugstore and served others faithfully and joyfully the rest of her life.

Iris attended nursing school in Hot Springs, AR, graduating in 1953 as a Registered Nurse. She served and cared for others in this capacity for nearly 44 years.

Iris married Les Feldick soon after her graduation and his discharge from the Army in 1953. They moved to Buffalo Center, IA, where her prayers, encouragement, and financial support helped her husband while he farmed and taught home Bible studies. Three children were born to Les and Iris whom she mothered wonderfully by teaching, correcting, praying, and providing for. The family moved to Kinta, OK, in 1975, where Iris continued partnering with Les in helping him spread God's Word by aiding him in providing the financial needs of the family and with her strong faith, love, time, and support.

Iris retired from nursing about the same time "Through the Bible with Les Feldick" became nationally and internationally televised. Extensive traveling, planning, preparing, and communicating placed extraordinary demands upon Iris. She accomplished it all wonderfully to the Glory of God. Les was grateful to the Lord for Iris and said many times, "I would not have, nor could not have, done any of this without her."

Iris is survived by Greg (Janette) and Todd (Kim), 9 grandchildren and 8 great grandchildren.

Iris is preceded in death by Les, her husband of nearly 70 years, and Laura (Jerry) their daughter.

Iris was also preceded in death by her mother and father, two sisters, Cheryl and Billie Jean, and her brother Jack.

Graveside Service will be 10:00 A.M., Tuesday, June 27, 2023, at Lona Valley Cemetery with speakers, Greg Feldick and Todd Feldick. Pallbearers include David Feldick , Daniel Feldick, Zack Thomas, Jerry Thomas, Jesse Feldick, Bailey Martin

Burial will be under the direction of King & Shearwood Funeral Home of Stigler.

“ *I didn't know Iris except for the television show where I gladly learned at the feet of Les Feldick as often as I could. I loved watching Iris because she was so attentive and so loving as she listened to her husband teach. It was her Bible we viewed as Les taught. I could tell she was a 'goodly' woman, and a blessing to others. A real inspiration to me, and to Christian women everywhere.*

“ *I haven't forgotten Mrs. Iris, but think of her often; especially since Mr. Les died. Watching her and Les in the teaching videos warmed my heart.*

The storms that are raging through Oklahoma this springtime made me search for her. It was sad to read where she died also nearly 2 years ago. God surely blessed her and Mr. Les tremendously over the faithful years that they served God. Now, I pray for our God to raise up another couple to carry the torch into the end days.

My heart hurts, but rejoices at the same time, knowing I will meet them both in heaven one day.

My condolences to all the family and friends.

I was raised Catholic, attended Catholic Schools and attended daily mass each morning before school and Sunday mass. I was active in life as I knew it, as I was taught. TY LES AND IRIS for “revealing “ my hidden fear... that I was never deeply ... and I mean deeply taught the word of God... THE BIBLE and every book associated with it! I was so blessed when My Lord and My God sent these two beautiful people no less... on Utube. I-was older and needed a lay-mens explanation. Les did exactly that... My Jesus surely knew Les and Iris had fulfilled their duty to God and were rewarded a beautiful place in Heaven. Ty to you both and God willing, one day our hearts and souls will meet!

I didn't know Iris had passed away, I am so sad about the Beautiful lady. I loved Mrs Iris, because I could see love in her face when she smiled when the camera stopped on her beautiful face! I watched the program on wmb in Toledo Ohio with Les. I know that him and his wife are both standing in God's glory. God saying to them both, well done my good and faithful servants. I still watch him in the morning, he explains the Bible so beautifully. Thank you both for your service here on earth. One of these days I would enjoy meeting both of you, when it's my time. God bless.

“ What an amazing teacher Les was. He was truly a man of God. He loved the word of God and it was apparent. He always mentioned Iris and was thankful to his wife. I would have loved to have met them. I know where they reside now. May they know how much good they have done in this world to spread the word of God and help those who were seeking an enlightenment into the word.

I remember a few years back I called the number on screen while watching a 6AM Bible Study (which I still watch daily) and to my surprise, Mrs. Iris answered the phone. It actually rang at their home. I had no idea! I was expecting to talk to an operator or something... Even though it was super early, she was just as sweet as can be 😊🙏. We talk for a few minutes, and she thanked me for calling all the way from Pennsylvania. I know their family misses them dearly 🙏. May they take comfort in knowing that one day... they shall see them again 🙏, and when we all get to Heaven, Ohhhh' WHAT A DAY OF REJOICING THAT WILL BE! 🙌❤️

“Mr and Mrs Feldick have been the best Bible teachers God ever made. They both had been given the abilities to teach the word of God correctly and truthfully. I have learned so much from them. I never met them ,but felt like they were my family for many years. I want to thank them so much for their hard work and love for God and common folk like me.

“ I just recently learned of Iris's and Les's passing! I never met them in person, but once I discovered their Bible study, it had a great impact on me and my life. It helped me to better understand God's word and what the Lord's expectations of us are and so much more. They will be miss deeply I'm sure, and I pray that they Rest in Peace. I will miss them, but I am so thankful that I can continue to study his teaching of Through the Bible. And always remember Les's teachings.

I remember when I first met Les and Iris in Minneapolis. It took a lot for me to realize that he was a true leader of the faith. I had tried for years to understand this living word! But he really does bring it home. I was also a great fan of J Vernon McGee back to the Bible from the 70s! But Les has made it clear to me that he had the greater impact on the Christians understanding of the Bible. I've always enjoyed both of their whimsical tales while teaching us. What a treat to have met these wonderful people ! The fact that they are still on the Internet is a great blessing as their words are encouragement to me, and I have the opportunity to share others this wonderful news.

I just recently learned about Les and Iris's passing but to me they will always be right there where I can find them, I have a few of their shows recorded so I look at them over and over. There is so much I can say about them, I loved listening to him, I tuned in every morning at 6 am. In my mind I know they're gone but I still watch the show every morning. Rest in peace Les and Iris

I feel so blessed to have found Les on TV one early morning, talking and teaching only from the Bible. I loved the fact that he had no Theological Training, It all comes straight from the Bible with God's holy Spirit guiding him, and no man-made Traditions. What a gift to all of us believers, to know what the Bible truly says. Les and Iris are such true gifts to the believers, and I thank God for this. I am smiling knowing Les and Iris are now safely in their everlasting home 🙏🙏

Thankful to have been taught by a man of God like Les. I loved watching him on TV. My uncle and I would watch him every morning when I had cable TV. Now, I can watch him on the Internet. He taught us so much about the Bible. I loved his old fashion ways. I loved seeing Iris smiling at the camera and studying along with his teaching. They came from a time in America that is so different than today. I guess this old fashion way of life and people are passing from our world... Thank you Les and Iris for all you did for us and God, by spreading the Gospel. 🙏

“A wife of noble character, who can find? She is far more precious than rubies. The heart of her husband trusts in her, and he lacks nothing of value.” Sister Iris was a warm, affection Godly woman who was the epitome of a wife to her husband, Les. She had a warm smile and loving heart when ever I would watch the ministry on TV. She showed the young women by her example to the viewing audience how a Godly wife is to compose themselves, ”

To the children, grandchildren and great grand children thank you for sharing sister Iris with the Body of Christ and all who came in contact with, she will truly be missed. God bless the family and the Holy Spirit strengthen, encourage and continue to use all the family for God's glory.

“ I just read that Iris passed 16 days after Les ❤️this kind of love and devotion warms my heart. This is the epitome of a Godly man leading and a Godly wife will follow. Family is such a blessing from the Father, and I just wanted to say that sticking through the hard times and loving your spouse through these hard times- will be honored and delivered through Christ. It's worth more than we know. The enemy is trying to tear the family unit down, so much evil can come within and get us to doubt the Lord's goodness. Let us be good to our families and forgive even when it's so difficult and God will give us the kind of family that the enemy can't destroy. I see this beauty of man and wife in Les and Iris, and I thank the Lord for the fruits of their labor. Love and thanks, Jamie Ruth-Cortes

“ A true woman of God! It was a blessing to meet her and Les in October 2010 at a seminar in Newark, Ohio. Still watch today and it is a pleasure to see her smiling face when they pan the audience. They were both true shepherds. As Les would say “we're just vessels; it is the Holy Spirit that leads folks to salvation. AMEN! May God continue to bless them both in HIS presence.

My condolences to the Felic family in the loss of their mother and father. I was watching Les Feldick on television and decided to look up his wife online. I discovered that she had passed away this year, and then I discovered that less had preceded her in death. I have been watching Les Feldick on television for many years. I appreciate that he used the king James version of the Bible. I appreciate that they show the Bible up close on the television screen. To my knowledge there are no other king James, version Bible teachers or preachers on television today. May your family always follow the word may they be saved at an early age and serve got all of their days. May you find comfort in your memories of Les and Iris, and may you be comforted by the Holy Spirit, and with the comfort of God's word.

“ I have been watching Through the Bible with Les Feldick since 2017 after I got out of rehab from drugs and alcohol. I loved to see her smiling face as they panned through the audience. I have had many Bible study teachers over the past 7 years, but until I found their show, did I learn as much as from them. Though Les is the front man he said many times he couldn't have done it without her. She will be truly missed in life and blessed even more in death.
