“ After moving to college, I lost contact with you but I will always remember you Grandma Jacquie! I remember going over to your house growing up and playing in the back room with toys. I also remember watching you play games on the computer. Once I was old enough to drive I would stop by EZ from time to time to visit you! The last time I got to visit you was about 3 years ago. I was hoping for you to meet my baby girl Isabella but I haven't seen you in awhile at EZ Mart and didn't know how else to contact you. I love you always!!

Your Granddaughter,
Madely Cobbs (Robertson)
