“ Jay even though I didn't know you very well... I did see you several places and rode the Choctaw Bus. One of my Memories was after our Senior Lunch... Your Mama would have a Beading Class with the Regulars. She helped me mainly. But, at times I would see how you and your Daddy waiting Patiently for the Class to be over and how you and your Daddy would take all your Mamas Supplies Outside. I'm Sorry I didn't attend your Visitation and Funeral for I just found out about this today.

RIP,  
Jay!  
GOD BLESS YOU!
