“ *I have several memories of Jeannie. Almost 30yrs worth. She was a firecracker when she disagreed with what you had said or what you had done. She was very quick when she had an opinion and wanted you to know it. Yet, she could make the whole room crack up with laughter in a moment of just seconds. Her laugh was contagious and infectious. She loved her family so very deeply. Anyone could clearly see that. She was a beautiful soul sent to everyone who ever met her here on earth. RIP Jeannie, you will truly missed.*
