“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. You are all in my prayers!

“ Jeff and my husband David taught my son how to swim by throwing him in the creek not far from his parents house. I had to turn my head because I'm not a water person! I knew he was in good hands with those two, as I know Jeff is in good hands now! I love you cousin!!!! Roxanne (Parker) Lee.
